# Profile Outline:

- 1- Introduction.
- 2- M.C.E.Co Key Areas of Operations.
- 3- Accredited Certificates.
- 4- M.C.E.Co's Projects.
- 5- Health and Safety.
- 6- General Information.
- 7- M.C.E.Co's Factory.
- 8- Resource's Certificates.

# 1- Introduction

Mechanical Construction Engineering "M.C.E.Co" has 29 years of experience M.C.E.Co established in 1994 to serve the rapidly growing demand for technical services of Egypt industry.

M.C.E.CO have a workshop at El-Obour industrial zone for established at 2005 for Manufacturing and Fabrication of Vessels, Tanks, Pressure Piping, Steel Structures, Scaffolding

M.C.E.Co has been involved in successful completion of many Electro-Mechanical Installation , Steel fabrication , Erection , Manufacturing, Maintenance, Long and Short term service , Refurbishment , Engineering and Design our main Clients on success as the follow:-

- **KNAUF Limited & Partner** (German Co.)
- **Hassan Allam** (Egyptian Co.)
- **Babcock & Wilcox – SPIG** (American - Italian Co.)
- **Saint-Gobain Glass Egypt** (French Co)
- **DEGREMONT** (French Co)
- **Daniele** (Italian Co.)
- **EDRA** (Malaysian Co.)
- **ANSALDO Energeia** (Italian Co.)
- **ANSALDO Industry** (Italian Co.)
- **ANSALDO Middle East** (Italian Co.)
- **ANSCO (ANSALDO - Condotte)** (Italian Co.)
- **VANDERLANDE** (Dutch Co.)
- **JEPC1** (Chinese Co.)
- **JICON** (Korean Co.)

M.C.E.Co has a long Experience in Erection of Wide range of Mechanical equipment and Machinery. This range includes the most delicate and accurate installation of different equipment.

This specialized category of work is done by group of specialists made their Experience over than 26 years of distinctive performance.

## **2- M.C.E.Co Key Areas of Operations**

**Electro-Mechanical construction works.**

**Supply, Manufacturing and Fabrication of Vessels, Tanks, Pressure Piping, Steel Structures, Scaffolding**

**Erection work, Maintenance and Refurbishment of steam power plant and gas power plant and their components.**

**Erection work, Maintenance and Refurbishment of waste water treatment, potable water treatment plant and pumping stations.**

**Long term service agreements, Maintenance, Service and Repair**

**Supply Qualified Manpower and Equipment.**

**Engineering and Design Service for industrial projects.**

### 3- Accredited Certificates.

**M.C.E.Co has been accredited to the following certifications**

**ISO 9001:2015**

**Quality Management Systems.**

**ISO OSHAS 45001:2018**

**Health and Safety Management Systems**

## **4- M.C.E.Co.'s Projects**

### **Our Recent Major Construction Projects at Egypt:**

✓ **Project : Suez Gulf Power Plant Station**

**Client: EDF “Malaysian Co”**

- As a contractor for Outage maintenance for 2 X 325 MW steam power plant and operation.
- As a man power supply for 2 X 325 MW Steam power plant for power station.

✓ **Project : Port Said Power Plant Station**

**Client: EDF “Malaysian Co”**

- As a contractor for Outage maintenance for 2 X 325 MW steam power plant and operation.
- As a man power supply for 2 X 325 MW Steam power plant for power station.

✓ **Project : SIDI KRIR Power Plant Station**

**Client: EDF “Malaysian Co”**

- As a contractor for Outage maintenance for 2 X 325 MW steam power plant and operation.
- As a man power supply for 2 X 325 MW Steam power plant for power station.

✓ **Project : Silo Fabrication and Erection work for 10<sup>th</sup> of Ramadan Factory**

**Client : Saint Gobain**

- As a contractor for silo fabrication, installation and erection work.

✓ **Project : HVAC System Fabrication and Erection Work**

**Client : HASSAN ALLAM**

- As a contractor for HVAC system fabrication, erection work and installation.

- ✓  
**Project : KNAUF – New Extension of gypsum board factory**  
**Client : KNAUF Ltd & Partner**
  - As a contractor for electro-mechanical work for new phase of gypsum board factory, fabrication and erection of steel structure and ducts.
  
- ✓  
**Project : Plant West Damietta Power station**  
**Client : B&W – SPIG "Italian Co."**
  - As a Sub contractor for Electro-Mechanical erection of Air Cooled Condenser (ACC).
  
- ✓  
**Project : Plant 6<sup>TH</sup> Of October Power station**  
**Client : B&W – SPIG "Italian Co."**
  - As a Sub contractor for Electro-Mechanical erection of Air Cooled Condenser (ACC).
  
- ✓  
**Project : Plant Suez Gulf power station**  
**Client : EDRA**
  - As a main contractor for annual maintenance for steam power plant 650 MW
  
- ✓  
**Project : Plant East Port said station**  
**Client : EDRA**
  - As a main contractor for annual maintenance for steam power plant 650 MW.
  
- ✓  
**Project : Plant SIDI KRIR station**  
**Client : EDRA**
  - As a main contractor for annual maintenance for steam turbine and boiler
  
- ✓  
**Project : Mostrad Oil Refinery -  
Cairo**  
**Client : JICON "Korean Co."**
  - As a Sub contractor for supply, fabrication steel structure building and pipes  
Fabrication

## Previous Projects

**Project : Zahra Nasr City Plant For Military waste water pumping station**

**Client : Egyptian Contracting Co." EL-ABD "**

- Supply and install Electro-mechanical work

**Project : Plant City of Journalists Firefighting pumping station**

**Client : Egyptian Contracting Co." EL-ABD "**

- Supply and install Electro-mechanical work

**Project : Plant Elsamara waste water pumping station**

**Client : Egyptian Contracting Co." EL-ABD "**

- Supply and install Electro-mechanical work

**Project : Plant Eastern company for tobacco 6<sup>th</sup> of October Site.**

**Client : Egyptian Contracting Co." EL-ABD "**

- Supply and install Electro-mechanical work for Ground Water Tank 3000mm

**Project : kafr Elshikh waste water treatment station**

**Client : Egyptian Contracting Co." EL-ABD "**

- Supply and install Electro-mechanical work for 15 village in Kafr Elshaikh.

**Project : Plant AL Gabal –Asfer waste water treatment**

**Client : ANSCO (Ansaldo - Condotte)**

- Erection of screw pumps, penstocks, primary sedimentation, final sedimentation tanks, oxidation tanks, thickener tanks.
- Supply & fabrication of steel structure for ALGabal–Asfer waste water treatment plant.

**Project : Plant El Jabal EL Asfer waste water treatment Station**

**Client : MCDC "Egyptian Co."**

- For supply, fabrication and erection work of petrol filling station in El Jabal EL Asfer waste water treatment plant.

**Project : Plant Al-Jabal Asfer waste water treatment**

**Client : Degremont "French Co."**

- As a sub-contractor for Mechanical and Electrical Erection Works of 5 No. Screw Pumps F, G, H, I, J and its auxiliaries at contract 19.

**Project : Plant El Jabal EL Asfer waste water treatment Station**

**Client : El Naser Utilities EL "Egyptian Co."**

- Construction of new diesel fuel station at El-Jabal El-Asfer plant.

**Project : 22 Sewage plant**

**Client : NOPWASD "National Organization For Potable Water and Sanitary Drainage"**

- For operation & maintenance work of 20,000 m<sup>3</sup>/day waste water treatment plant for Bessioun, Hosh Isa, Kom Eltarafaya, Elkantra, Abu Hummus, Foua, Ashmoun, Kafr Saad, Asiut,

**Project : Plant Abu Soma**

**Client : Ansaldo – Industria " Italian Co "**

- As sub- contractor for pre-commissioning, commissioning and startup of Desalination plant 1500 m<sup>3</sup>/day and Diesel power plant 2x4 MW.
- Electromechanical erection work of 18 Nos of sewage waste water treatment plants. Also, for pre-commissioning and operation.

**Project : KNAUF – The main line of gypsum board factory**

**Client : KNAUF Ltd & Partner**

- As a contractor for supply and erection of ducts and steel structure.

**Project : EL-EZZ Steel Factory**

**Client : DANIELI S.PA "Italian Co."**

- Fabrication work for El Ezz steel factory for fume ducts in Ain -Sokhna Egypt.
- Electrical work and erection work in Ezz steel factory in Ain -Sokhna Egypt.
- Fabrication work in Egyptian steel factory in Bani- Suef site.
- Rehabilitation and installation of transformer at EL-Sadat factory .

**Project : Cairo Airport**

**Client : Vanderland "Dutch Co."**

- Installation of Bags Conveyor System in Cairo Airport TB2

**Project : Saint-Gobain Glass Egypt "SGGE"**

**Client : Saint Gobain Glass Egypt "French Co."**

- As a main contractor for the project of El Sokhna glass factory for electro-mechanical erection work of main production line for Furnace, Annealing Lehr line ,cutting line assembly, Batch plant , Crasher Equipment ,Reserving valve , chimney damper and Frame racks fabrication and erection work .

**Project : Assiut steam power plant 325 MW**

**Client : Ansaldo – Energia**

- As a sub-contractor for Assiut steam power plant 325 MW .

**Project : Alex. Carbon Black Factory**

**Client : Alex. Carbon Black Factory**

- As a contractor for mechanical erection of packing plant.
- Mechanical and electrical erection work of air compressor and all MCC'S and control panels.
- Pre-commissioning, tests, commissioning and start up for the air compressors units.
- Pre-commissioning, commissioning and startup of automatic packing plant, which has the machines supplied by W.G.DURANT- U.S.A

**Project : Alex. Carbon Black Factory**

**Client : CHOOSE Star CO.**

- As sub-contractor for fabrication and erection of piping work, carbon steel pipes, stainless steel pipes and P.V.C pipes.

**Project : Millstones steam power plant in CHILE .**

**Client : Ansaldo- Energia Co. "Italian co"**

- As manpower supply for steam power plant 1x150 MW.
- As a sub-contractor for EMISAL steam power plant to do the overall maintenance of tow turbine units, electrical and mechanical. Also to do the commissioning, start up and operation of turbine units.
- As manpower supply for construction of gas turbine frame -5 in Bahia Las Minas gas power plant in Panama.

**Project : Plant Suez Gulf Power station**

**Client : EDF "French Co"**

- For Outage Maintenance for 325 MW steam power plant.

**Project : Plant Port Said Power station**

**Client : EDF "French Co"**

- For Outage Maintenance for 325 MW steam power plant.

**Project : Plant Cairo terminal " Mostord"**

**Client : Esso Petroleum Co. "Egyptian Co "**

- Mechanical erection work of pumping station with the piping network connected to the main line in Cairo terminal "Mostord"
- For pump maintenance "alignment" bearing replacing, mechanical seals changing ...etc in Suez terminal and Alex. Terminal.

**Project : Hyundai Car Factory**

**Client : Hyundai Car Factory U.K Co.**

- As a contractor in Abu Rawash Cairo-Alex , desert road for mechanical and electrical erection work with English Company.

✓ **Project : Haden Dryses Int. Ltd.**

**Client : Haden Dryses Int. Ltd.**

- water treatment pumping station and steel pipe work.
  - Spry booth humidifier and piping work.
  - Top coat booth, Under body booth, Wax booth, Humidifier A.R.P. deck and pipe work, L.P.H.W pipe work, Paint mix A.R.P, Oil removal system " Oil separators, Acid flushing system.
  - Supply and manufacturing of work deck lighting arches.
1. Pre-clean deck.
  2. Sealer deck.
  3. Inspection deck.
  4. Touch up deck.
  5. wipe deck

✓ **Project : station of El Kossier site.**

**Client : Co-Co Petroleum Co. "Egyptian Co."**

- Crude oil pipe line 8" in Safaga site including supply, fabrication and erection work.
- Refurbishment of crude oil tank in Suez terminal including fabrication work of new piping network, sand blasting and painting work.
- Supply of steel structure, fabrication and erection work.
- Boiler chemical cleaning.
- Tanks chemical cleaning and insulation work.
- New construction of petrol filling station of El Kossier site.

✓ **Project : Coca Cola Factory , Suez**

**Client : Miser Petroleum Co. "Egyptian co"**

- Construction of new diesel filling station for Coca cola factory in Suez.
- Refurbishment of diesel and petrol filling station in Ras Shokir "GAPCO" Petroleum co. including all piping work.

## **Main & Recent Engineering and Design Service**

**Project : Cairo west subcritical power station 1x650MW**

**Client : China Energy Engineering Jiangsu No.1**

- Engineering and Design work for Critical Piping System and non-Critical piping.

**Project : ASSIUT SUPERCRITICAL POWER STATION 1x650 MW**

**Client : ELSEWEDY POWER SYSTEM PROJECTS**

- Miscellaneous Mechanical Equipment Design Package

**Project : Tanks, mixer and steel structure design**

**Client : ASF Steel Fabrication**

- Mixer Tanks and steel structure design.

## 5- Health and safety

The management structure goes deep into the manpower of M.C.E.Co. The company is reliant on the knowledge of its key people from work team leaders to senior engineers. Each day begins at site with the shift safety officer giving safety training and each member takes part with his presentation in turn.

### Conclusion:

**Mechanical Construction Engineering Co "M.C.E.Co"** has been established in 1994 to serve the rapidly growing for technical services.

**M.C.E.Co** has been involved in successful completion of many manufacturing, fabrication, erection, maintenance, long-and short term service, refurbishment with many international foreign company such as Saint-Gobain Glass, Degroment-Suez, Electrical De France, Ansaldo-Energia, Ansaldo-Andustria, Danieli S.PA and HYUNDAI.

M.C.E.Co modern service concept is oriented according to today's market requirements and focused on long-term cooperation and, above all, on the safety, continuous availability and reliability of client's plant.

## **6- GENERAL INFORMATION**

**Company Name:** **Mechanical Construction Engineering Co. “M.C.E.Co”**

**Head Office** : Egypt-Cairo-El Obour Building –Salah Street  
Building No. 7, 14<sup>th</sup> floor

**Suez Branch** : Suez - 16 Ahmed shawky st, Floor 6

**Factory** : El-Obour Industrial Zone, North Ext. Plot 12001

**Established Year** : 1994

- **Main Business activities and specialties of our company is asfollows:**
- Manufacturing, fabrication of vessels, ducts, pipes, structures, Scaffolding.
- Electro-Mechanical erection and construction services.
- Maintenance & Refurbishment of complete plants or components.
- Long term service agreements, maintenance, servicing and repair.
- Supply Manpower and Equipment.
- Engineering & Design Service.

## 7- M.C.E.Co's Factory

### About our factory:

- Our factory is located in El Obour City Industrial Zone about 26 Km from Cairo.
- Our factory area about 3000 m<sup>2</sup> and we use it for:
  - Steel Fabrication Work.
  - Piping Fabrication.
  - Tanks and Vessels Fabrication.
- In our factory we have variety of machinery in order to accommodate all the work needed to be done such as:
  - Rolling machine.
  - Semi-automatic welding machine.
  - Diesel welding machine.
  - Press machine.

## **To whom it may concern**

**Date: 01/10/2020**

We certify that Messer's: **Mechanical Construction Engineers Co."M.C.E.Co"** has been worked for the project: **SUEZ New Extension of gypsum board Plant**, during 2018 and 2019.

The scope of work was **Electromechanical Work and steel structure work** with the total amount of **20,490,000.00 EGP** only twenty million, four hundred and ninety thousand EGP.

The performance of **M.C.E.Co** was contributing factor for completion the project.

This certificate issued upon M.C.E.CO request without any obligation to the company.

  
Knauf LTD and Partner

**KNAUF LTD & Partner**

Cairo: 18/07/2010

## CERTIFICATE

### To Whom It May Concern

We certify that *Mechanical Construction Engineers Company* "*M.C.E.Co*" has been worked for Saint Gobain Glass Egypt "SGGE" for the project of El Sokhna glass factory for electromechanical erection work of main production line for Annealing lehr line, Cutting line assembly , Batch plant , Furnace Equipment & Reversing valve , Chimney damper and frame racks fabrication and erection work , where the total contracts amounts were about **20,000,000.00 EGP**

**"Twenty Million Egyptian Pounds."**

The performance in their assigned duties was contributing factor for completion this project.

*M.C.E.Co* is therefore recommended for the same kind of projects.

This certificate was issued for whatever purpose beneficial to the company.

## Suez Gulf East Power S.A.E

### Certificate

#### To whom it may concern

We here by certify that "Mechanical Construction Engineers Co" (M.C.E.Co) has worked for "E.O.C" for overhaul maintenance of Steam Power Plants in Suez and Port Said, each plant of 625 MW

The performance of M.C.E.Co in the execution of their assigned duties for the completion of the work according to time Schedule and E.O.C Program was satisfactory.

M.C.E.Co is therefore recommended for similar work.

This certificate has been issued upon request by M.C.E. Co. without any obligation to the company.

Dear Mr. Soliman,

I would like to take this opportunity to personally thank you for your services involving the installation & start-up of the Automated Packing & Pelletizing equipment recently commissioned at the Alexandria Carbon Black Plant. I found your Professional Technical Expertise & performance to be both refreshing & invaluable. Your assistance truly made a technically difficult job much easier. Should you find your self ever in need of either professional or personal references please feel free to contact me.

Once again I would like to say thank you for the exceptional quality of your services.

Regards,

Jack R. Kapp
